Dear Dr Falconer:

I saw by the recent Calgary papers that you were coming West + expected to attend the Teacher Convention in Calgary Early in April: So the concept + Board it be possible for you to give us a Sunday in Lethbridge before or after the Convention? I can assure you my congregation

would give you a little
Western Welcome and need
not say how pleased I,
personally, would be if you
could so arrange your
trip. We have a nice
town here in South Alberta
& we will feel honored if
you can arrange to pay
us a visit. Gather the
very chance of your
coming but we could
so good time so that
I may have the opportunity
of heralding the news.

With all good wishes
Yours sincerely,
A. H. Dawson

My dear Denovan.

It w^d. give me very great pleasure to visit you when I am in the west at the beginning of April, but I have had to make it a rule not to preach in churches on Sunday either here or when away from home. Otherwise I would get into trouble. In any case if I go west for the first Sunday of April I have to deliver the baccalaureate address to the University of Alberta. My time on this visit will be limited & I must return from Calgary after my address there. But possibly I may see you there. Do you remember the last time I saw you - in the Casualty Clearing Station at Trevent on Aug 24. 1918.

Dear Denovn:

It would give me very great pleasure to visit you when I am to be West at the beginning of April, but I have had to make it a rule not to preach in Churches on Sunday either here or when away from home. Otherwise I would get into trouble. In any case if I go West for the first Sunday of April I have to deliver the Baccalaureate address to the University of Alberta. My time on this visit will be limited and I must return from Calgary after my addresses are over. But possibly I may see you there.

Do you remember the last time I saw you ? In the Casualty Clearing Station at Prevent on August 24th, 1918. Kindest remembrances.

Yours sincerely,

President.
